Comments: Dear Payette Forest Supervisor Keith Lannom and staff,

Hopefully you will make a decision that is good for the 7th Generation, and the Wilderness Resource and not a Mining Company

Dear Payette Forest Supervisor Keith Lannom and staff,

Please do not embarrass yourself and the US FOREST SERVICE by forgetting to think about the next 7 Generations that will follow us. They deserve the right to an unspoiled environment with Wilderness as a Resource Protected not despoiled by a Mining Company who could care less about the Wilderness Act of 1964.....
