First name: Brandon

Last name: Christoffersen

Organization:

Title:

Comments: As a lifetime Idaho resident, outdoorsman, and Idaho registered Professional Engineer, I fully support the Stibnite Gold Project.

Public lands are to be managed for multi-use, and long term sustainability. This is an opportunity to provide economical benefits to the region and state, while providing a massive long term net benefit to the forest, river system, and wildlife.

Please allow this mine to go forward.
