Comments: Forest Plan Revision Ideas - Report Submittal

The attached file is provided as a source of data for the Assessment Phase of the GMUG Forest Plan Revision project. This data is being provided on behalf of the Colorado Trails Preservation Alliance (TPA) and Colorado Off-Highway Vehicle Coalition (COHVCO). We believe this report will provide current and relevant data and demonstrates exceptionally well the trends that are occurring not only on the GMUG but statewide throughout Colorado. If printed copies would be beneficial to your efforts, we would be more than happy to provide you with printed/paper copies at your request.

Sincerely,

Bill Alspach
