Comments: Re: Comments on Forest Plan Draft Assessment

Brittany,

Just noticed that we forgot to include names with our comments. Just so you know who we are, the same comments are attached with the names of our Executive Committee.

Thanks for all you do....it can't be easy!

Good afternoon,

Thank you for comments on the draft Recreation Assessment Report, and for specifically responding to the questions we asked regarding the information assembled. I appreciate your feedback and the additional resource that you sent along. As we emphasized in the assessment guide, these are still only drafts and we hope to continue improving them with feedback from interested members of the community like you. The team will carefully consider your comments, and if you have any further input, questions, or concerns, please don't hesitate to reach out!

Thank you,

Brittany
