Comments: Mountan Bike Access in Coronados

Ms. Boyle:

Please allow this to serve as a public comment in regard to the Coronado Plan. As one of many mountain bikers who uses and helps maintain some of the trails that would be affected by the Plan, I am strongly against the proposed restrictions on mountain bike access. It is my hope that no restrictions will be enacted on mountain bike use of the trails at issue and that we will be able to continue to use the trails at issue.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Noah J. Van Amburg
