Comments: RE: Coronado Planning Partnership Comments on the draft Forest Plan

Hi Jennifer,

Sorry for the long delay in response. I have been coordinating with other CPP members to facilitate scheduling. The following dates currently work for us:

June 7

June 8

June 14

June 15

June 21, 22, 23, 24, 25

We are currently available all day for those dates.

Let me know if any of these work for you and your team.

Right now Cyndi Tuell with the Center for Biological Diversity is the only CPP member that is planning on coming with me. We have a CPP meeting scheduled for June 10th at which I will advertise the date of our meeting with you. If I get anymore folks that will be coming along, I will let you know so you can plan accordingly.

Thanks

Louise

Hi Louise,
Just wanted you to know that I received everything. I also would like to set up a time to go over the CPP comments with you, and anyone else you'd like to include. May is pretty full for me, but June is fairly open. Let me know what works for you.
