First name: Tammie

Last name: Nelson

Organization:

Title:

Comments: I vote no on the proposed parking lot project because this will only increase traffic, trash pollution, the numbers of visitors and incidents at Tamolitch. The money would be better well spent on trash receptacles and signs. Most Oregonians, who know about "blue pool", are aware of how dangerous it is to cliff dive into that water but I'm afraid tourists may not be. Last summer, I saw a man trying to cross over the waterfall, slipped and fell - over the fall and into the water! Luckily he made it out alive!!
