Comments: Public Comments - Vail's Golden Peak

Forest Service,

We have a simple public question.

Has anyone at the Forest Server - read or been aware of all the online Facebook comments...

..about the proposed expansion of Vail's Golden Peak?

We did the online work - so you wouldn't have to.

Attached PDF has the screen shots of the online comments.

Re: Facebook - "Eagle County Classifieds" group.

Unlikely Ski Club Vail - would want you to read (be aware) of these public comments.

Let us know.
