Comments: Wilderness Area Evaluation Reports

Hello Erin,

I left a message with your office earlier today but did not hear back from you, so decided to try to contact you via email. I have reviewed reports for various wilderness areas within the Coronado National Forest including the Dragoon, Galiuro, Mt. Wrightson, North Chiricahua, Samaniego Ridge, Tumacacori, Whetstone, Winchester, East Catalina and Chiricahua. I cannot find specific information specifying the total number of acres in each of the potential wilderness areas. Please provide the total number of acres within each of the potential wilderness areas listed above.

Thank you,

Suzanne Gilstrap
