Subject: FW: Friends of Mount Rose Comments on Atoma DEIS

Hello,

Just a quick update. We've received 2 comment letters this week on the Mt. Rose Draft EIS.

Comment letter from Friends of Mt. Rose and a personal comment from Dennis Ghiglieri - both support Alternative 3 (2 lift scenario) and the forest plan amendment.

EPA also contacted me this week - expect to receive the best rating possible (lack of objections, and sufficient document).

Have a good weekend.

Thanks, Marnie
