First name: Joe

Last name: Ortega

Organization: 108 snow goers

Title: Highway 108 snow rider

Comments: What I leave in the snow vs what people leave in the city. Pick a different battle and leave my sport alone! It's good clean, family & friend orientated fun. We're good people, environmentally friendly, And conscience of our surroundings. Please leave us alone and do something better with your Time and our money.
Sincerely : Joe Ortega and friends.
