Comments: To Whom It May Concern:

I have lived in Alaska for 37 years and have been an active snowmachiner for 33 of those years. Do not take away our privilege of riding in this great state. Our state is large enough for everyone to play in without taking away anybody's backyards. I am strongly apposed to losing any more access acres of snowmachine terrain.

Please call me at 907-280-8140 if I can answer any questions about the snowmachining sport. The options you have given us A, B or C are blackmail. If I am forced to choose, I choose B but anybody with a brain knows this is wrong in everyway.

Please don't let outside interest groups dictate what is the right thing for Alaska.

Sincerely,

Susie Seibert
