Comments: Hi there,

As a born and raised Alaskan I am here to show my full support to plan B. Recreational motor vehicles (snow machines, four wheelers, etc.) were a part of my upbringing. Denial of access to these lands would be detrimental to my family. As subsistence hunters and gatherers, we understand and respect for lands. Especially when it comes to using motor vehicles in fragile animal habitat. I would not I don't appreciate outside interests and parties trying to manipulate Alaskans and their way of life, this should be a decision for Alaskans "BY ALASKANS."
