Comments: My name is Maile Branson.

I currently live in Seward ak, and have been living in Alaska for 15 years. I have enjoyed riding snowmachines, as well as snowboarding in the Chugach for 15 years, and I typically go 60 times a year. As a motorized user, and non motor user, I oppose losing any right to motorized access of these public lands. A large majority of the Chugach is already restricted to non-motorized use, and what's left shall remain intact, if not expanded, for future generations.

The areas I access the forest are: Johnson Pass, Whittier, Turnagain, Skookum, Lost Lake, Summit Lake, Resurrection Pass

The rights of motorized user groups have diminished since 2002 when The National Forest Service initiated the Forest Land Management Plan and it must stop.

Please at least keep the current access in place and work toward opening more areas for future generations.

Thank you for your consideration,

Maile
