

Data Submitted (UTC 11): 10/27/2018 3:47:46 PM

First name: Glori

Last name: Strickler

Organization:

Title:

Comments: I support the modified plan attached. Providing access at Spenser glacier and other remote areas via motorized corridor. I am a long time Alaskan and have spent, and will spend hours in the mountains responsibly enjoying our frat state. This has made us a strong family unit into 3 generations now, and have added many thousands of dollars into the local economy. Please consider the uses and wishes of all users impacted by these proposals
