I support option B and consider motorized vehicles in traditional use in Alaska for recreation for fishing, hunting and transportation.

I started to snow machine when I was about seven years old. I like to Turnagain pass with my friends because it a fun place to ride around and, explore and

Learn new things about snow machines. I am 11 years and I have not had a chance to explore all of the park so please let us still ride in Chugach and more parks that are not open to snow machines.

I've attached a picture of me and my friends at Turnagain

Thank you for taking your time for reading all these letters

Sincerely, Addisyn
