

Data Submitted (UTC 11): 10/29/2018 8:00:00 AM

First name: Marc

Last name: Canet

Organization:

Title:

Comments: Please do not elect to limit our access to the Chugach back country. It has brought me many memory's for the past 22 years of of riding with friends and family, and it would be a huge loss if we can not continue this for our future generations. Please consider option B to keep our playground available for future use.

Regards,

Marc Canet
