First name: Brady

Last name: Hanson

Organization: AI snow shredders

Title: Rider

Comments: Hello, I have ridin the back county in Alaska all of my life. I have spent many fun days in the chugach riding snowmobiles. I don't think there is any reson to shut down back country areas. If anything open more trails and parking lots to spread people out and get rid of congestion. Thank you for taking the time to read and take my thoughts into concteration. Thank you brady
