First name: Zachary

Last name: Bell

Organization:

Title:

Comments: I was born and raised in Seward, AK. My favorite activities are hiking, mountain biking, xc skiing, and splitboarding. I enjoy living in Alaska and Seward because there are so many opportunities to explore and do the sports I love close to home. My wife and I enjoy splitboarding the mountains around Nellie Juan and we use snowmobiles to access the area. We've used snowmobiles to access areas around Exit Glacier, Lost Lake, and Nellie Juan for 6 years and every year we can find new amazing mountains to splitboard. I am against restricting motorized access to these areas. If access is restricted, most locals won't get to enjoy these areas, only people who can afford airplanes or have time for multi-day ski tours.
