Re: Middle Tompkins Allotment/Lake Mountain Allotment Grazing Permit Renewal

The website:

<https://lcara.ecosystem-management.org/Public/CommentInput?Project=41986> noted in your letter of May 13, 2013 does not show a link "Get Connected".

Since the website doesn't accept online comments, I'm sending this via US mail to let you know that I'm a PROPONENT of grazing.

By the way, the 'enclosed map' referred to in the letter was not enclosed. Regards,
