Good morning,

I received two voicemail messages yesterday around 4:40 p.m. One message was from Holly Cochran-Miles 775-340-5960 and the other was from Sharon Waddle 775-401-4036. They are both opposed.

Hi Erin,

Just saw your message. I am assuming they are getting our 2 agencies mixed up.

If Anyone else calls, you can refer them to the FS office in Elko. (775) 738-5171. They can ask for Josh Nicholes, Jenna Padilla, or myself- Doug Clarke.

Thanks,

Doug

Subject: Ruby Oil and Gas

Good afternoon Josh,

My name is Erin Henderson from the Nevada Division of Forestry. I have received numerous phone calls this afternoon regarding people opposed to the oil and gas in the Ruby Mountains. They want to save the Ruby Mountains and keep the land the way it is. The Ruby Mountains have a lot of history and native articles that may still be in them that should not be destroyed. I have put a list together of the people who have called and their phone numbers in case you would like to call them back to hear their story. I am unsure why they are calling me or what information you may need from them but I am forwarding their opposition to you. Please let me know if you have questions.

People in opposition (they all live near the Ruby Mountains):

Jane Zugazaga (775) 738-2046

Veronica Mendive

Leah Brady (775) 340-2833

Lois Whitney (775) 340-9897

Gloria Johnie-Robles (775) 232-9644

Leonard Johnie (775) 232-9644

Argelia Brown (775) 738-4896

Kimberly Fecko (775) 397-8775

A man who left me a voice mail but did not leave a name (775) 299-6406

Thelma Homer (775) 934-1177 Thelma Homer

Thank you,

Erin
