Comments: 11/06/2018

Purpose/Subject: To ask about any change in motorized access

Phone Conversation between: Steve Salisbury, American Motorcyclist Association and Sandi Mack, USFS.

Topic: Steve wanted to understand if the road decommissioning planned would change off road motorized access.

Outcome: I shared that there would be no change to motorized access with the Mid-Swan project. He said, very well. He also commented that the description of the Mid-Swan project sounded like a very good ecologically important projects.
