Comments: Dear Mary Yonce,

We have lived in the Feltz Ridge/Leading Ridge Working Area for 20 years. Our biggest concern is with the proposed burn in the Feltz Ridge /Leading Ridge Working Area due to the fact that Arthur and Geffrey are extremely allergic to poison ivy, poison oak, and poison sumac . We would like to be notified when the burn will happen so that they can be off premises. Notification on the burn dates would also allow us to be aware when wildlife will be on the move. We could be notified by WHSTV TV3 Facebook, by mail, and/or by phone . Our phone number is (***) ***-****.

Sincerely,

Pamela C. Simmons for the entire Simmons Family
