Comments: On 27 September 2019 I submitted 15 recorded tracks in .gpx format to Timothy Gilloon (timothy.gilloon@usda.gov) requesting the 15 tracks be reviewed for inclusion in ASNF Travel Management Plan #22692. And I requested a written explanation if any portions of these 15 tracks were found to be unacceptable in the final ASNF Travel Management Plan. Thank you. Ken Drozdowicz.
