Comments: News Coverage - Note on your Bend meeting have been discussed and will air tomorrow in Portland

We invite you to listen to FM News 101.1 for a 40 second spot on the meeting that was held in Bend. They did not say what time it would air, but it may give you some insight into how your meetings are being perceived by the public. I hope it is a learning experience and you can go forward with a better procedure at the next meeting.
