First name: james

Last name: bleil

Organization:

Title:

Comments: My name is Jim Bleil and I live in Sitka Alaska. Please keep the roadless rule in effect for the Tongass. The Tongass is worth more to us living here than it would be as an area to log or mine. It produces salmon and long-term jobs. It is vital to our way of life and we love it. Please keep the Tongass roadless.
