Title:

Comments: In accordance with 36 CFN 218 Objections to Pacific Connector Pipeline

Specific plan amendments for Umpqua, Rogue River-Siskiyou, and Fremont-Winema National Forests.

The proposed forest plan Amendments fail to comply with Act 2012 planning rule.

The land management for this proposed project is for a high pressure gas pipeline. Not only is this scheme not in the public's interest its adverse affects are extreme to our health and safety water quality, air quality, river and stream habitat, wetland, estuary, forest habitat, private property rights, public safety as a whole.

Simply exempting this project from rules and plans is not responsible or acceptable for Our public lands, so a foreign corporation can profit at Our expense.

Suggested Remedies:

Prepare a Plan that complies with the legal standards.

Prepare a new E.I.S.

Deny project
