I don't think it's right to charge to ride or hike our trails in Oregon, let alone stay over night. I've hiked and road these trails since I was a teenager. I haven't seen any big improvement in the trails that I have been on. You need to take in consideration the weather in these mountain trails have snow run off and that's one of the biggest problems. Mother nature has a lot to do with trails. Up by Duffy lake area mother nature dropped a lot of trees down a few years ago. We were on our horses and it wasn't easy getting around the downed trees. Mother nature has the biggest say in our landscape and normally the last. Myself I don't think charging more money is the solution that's my opinion.
