Comments: After reviewing the documents posted in the Public Comment Reading Room, it appears that there was a transmission error with one of the documents submitted yesterday as part of the Oregon Department of Fish and Wildlife's Protest of the Forest Plan Amendments (#28132) for the Pacific Connector Gas Pipeline. We are therefore resubmitting the following document:

Protest of the United States Forest Service's Proposed Forest Plan Amendments (#28132) to the Umpqua, Rogue River-Siskiyou, and Fremont-Winema National Forests

A copy of the transmission receipt, demonstrating timely filing, is also attached.
