Comments: I AM TOTALLY DISTRAUGHT OVER THE CONCEPT OF THE FORESTRY DEPT REMOVING ANY OF THESE BEAUTIFUL MUSTANGS FROM OUR LANDS. THERE IS NO REASON FOR THIS REMOVAL. THE HORSES ARE HEALTHY THE LAND WHERE THEY ARE LIVING IS HEALTHY. NATURE IS DOING FINE WITHOUT THE FORESTRY DEPT WANTED TO UPDATE THEIR MANAGEMENT SYSTEM..THEIR MANAGING (JUST LIKE THE CORRUPT BLM) IS NOT BASED ON ANY REAL SCIENTIFIC DATA... LEAVE OUR MUSTANGS BE THEY ARE SUPPOSED TO BE PROTECTED UNDER LAW WHY THIS IS NOT ENFORCED IDK?! MY QUESTION IF THEY ARE WORRIED ABOUT THE LAND THEN THEY SHOULD NOT BE ALLOWED TO HAVE CATTLE AND SHEEP (WHO ARE THE TRUE DESTROYERS OF OUR PUBLIC LANDS) GRAZING IN MASS NUMBERS ON OUR PUBLIC LANDS PERIOD! WE THE PEOPLE WANT OUR MUSTANGS LEFT ALONE TO BE FREE AS THEY SHOULD BE. PLEASE DO THE RIGHT THING. DO NOT ALLOW THIS ROUND UP TO PROCEED. PLEASE LEAVE OUR MUSTANGS ALL OF THEM ALONE STOP THIS ROUNDUP.. THANK YOU
