First name: Lance

Last name: Mitchell

Organization:

Title:

Comments: As a lifelong rider from the early seventies, I am always in favor of more single track trails opened to motorcycle enthusiasts. Riding the Capitol forest and in Mason County while racing throughout the region growing up, I now have my family riding in the Idaho, Washington and soon Oregon areas. This is an amazing pastime for exercise enjoyment and with friends and family. I hope you and we can work together to bring as much of our area available as possible. Sincerely, Lance Mitchell
