First name: Julie

Last name: Mach

Organization: Colorado Mountain Club

Title: Conservation Director

Comments: Greetings Ms. Gilles,

Please find attached scoping comments on the Homestake Partners' Whitney Creek Geotechnical Investigation.

I had submitted these comments via email to Matthew Klein who is listed on the project commenting page but received a response that he is no longer with the Forest Service. If you can confirm receipt of these comments that would be great.

Many thanks for your consideration,

-Julie
