Comments: Dear Ms. Huey,
Here is a continuing comment on the Whitney Creek Drilling. Please acknowledge receipt of this email and that it will be part of the official record. If not, please let me know what we need to do to make it part of that record. It also would be helpful if you would forward it to the District Ranger.
Thanks.

Jack,
I had intended to send you these after July 4th. I was told that such sittings could be of help, to our argument
against the dam proposal.
Feel free to use these as needed.
These sittings were at our "Hanging Bridge cabin."
