First name: Tai

Last name: Koester

Organization: Carbon County Resource Council

Title: Field Organizer (staff)

Comments: Excerpt from attached:

I am interested in participating in resolution discussions between the Custer Gallatin NF and Carbon County Resource Council (CCRC), represented by Chairwoman Susann Beug. CCRC objected to the preferred alternative's lack of wilderness protections, omission of soil health clauses contained within previous drafts, and a lack of strong language addressing increased recreational pressure and climate change.
