RE: Berlaimont Estates Access Route FEIS and ROD

Dear Reviewing Officer:

I am objecting to the FEIS and draft decision memo. To reiterate my previous comments from March 12th, 2018 that the plan significantly underestimates the amount of recreation use already existing in the Berry Creek trail system. As well as the paved road option will significantly increase the amount of social trails and still does not accommodate Eagle County's population growth, increasing numbers of trail users and public demand for recreation.

I am attaching the Vail Valley Mountain Trails Alliance objections and am in agreement with their suggested changes to the FEIS and draft decision memo.

Sincerely,

Hailee Rustad
