Title:

Comments: 1. Why two ranges in Gold Camp? The easterly range (Baldy side) has a lot of foot and bike traffic in the general area.

2. Will the ranges have a range safety officer?

3. What's being done to increase the numbers of LEO'S for Pike NF? Gold Camp/Old Stage (and I'm sure other areas) seem incredibly dangerous for solo enforcement. It's dangerous for anyone at times.
