Our family cabin is located on FR315 - Beaver Lakes Summer Home Group. There are six cabins in this group within the immediate area. All cabins are used throughout the year at various times by adults and small children. It's with this in mind, that I ask you to consider closing this area of the forest to dispersed shooting. In your letter you mention 3 approaches to resolving this issue. Item 2 would very accurately represent our concerns.

I request that the Beaver Lakes Summer Home Group area be protected and included in your shooting restricted area.
