Subject: Pitkin County Comments on WRNF Draft O&G EIS

Dear Scott:

Attached please find the comments, and the first installment of exhibits to those comments, filed on behalf of the Pitkin County Commissioners. We anticipate a number of emails will be required to attach all of the referenced exhibits. We would appreciate an acknowledgement that the comments and all exhibits (1-26) have been received. Thank you for the extensive effort the WRNF has invested in this important project; we look forward to continuing to work with the USFS on this important matter.

Regards,

Chris
