Subject: RE: WRNF DEIS Comments

Hello, Scott,

Attached please find the SIGNED comment letter! My apologies for the erroneous attachment.

Melissa

Dear Scott,

Attached please find the Eagle River Watershed Council's comments on the White River National Forest's Oil and Gas Leasing Draft Environmental Statement.

By virtue of these comments, we request to be a cooperator in any future record of decision that would propose to reopen areas closed by final action on the proposed alternative as we are currently engaged in research and baseline data collection with Eagle County on watershed resource values in legally available areas closed through management decision by the proposed action.

We appreciate the opportunity to comment.

Sincerely,

Melissa
