Comments: Dear Ms. Powell and Mr. West: As a resident of the East Mountains, I am writing to advise that I oppose the construction of the proposed Mountain Coaster at Sandia Peak Ski Area. Below are the reasons I do not support this project:

1. It will add even more traffic on North 14. During summer months, North 14 is already heavily trafficked.
2. The sounds of the coaster and those individuals screaming from it will carry will into the wilderness.
3. Additional equipment increases the ever-present risk of fire danger, and
4. The project doesn't provide sufficient employment to offset the negatives.

Thank you in advance for your consideration.
