Comments: Where to begin? This is a terrible idea on so many levels. Consider the animals who call the forest home. Consider the trees and vegetation that will suffer from construction and increased car exhaust. Consider the hikers who seek out the peace and solace of natural first lands. Consider the people who live at the base of the mountain that will have to contend with increased traffic.

Most of all - please CONSIDER your actions before agreeing to this commercial venture. It does not belong here. This project makes fun for the few at the expense of the many.
