Comments: Why is this still going on? These horses need to be left alone. I've been working on this initiative for many, many years and don't understand why these animals are still being prosecuted by our government. I've attached a letter I sent last year on this subject with my thoughts then and still the same now. I see what's happening to the bison at Yellowstone, the same analysis that livestock are ok but not roaming free horses, wolves, bison, etc. DO THE RIGHT THING FOR A CHANGE AND SPEAK UP FOR WHAT'S RIGHT. STOP THE BULLYING AND LET'S LIVE IN PEACE!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
