Comments: I hereby submit this information for Administrative record

Please find attached FOIA response from FS , I asked for permittee information on the Heber grazing allotment . I was told they could only go back 10 yrs and names of permittees would be redacted ? Why this is our public lands used at minimal price for cow /calf pair and it is not public knowledge ? So I asked if and according to FS Grazing Regulations Permittee must own land adjacent , if FS could at least tell me if the permittee or owner of the cattle being grazed owns land adjacent to the allotment, no answer as of yet.

Please read attached Documents .
