First name: Matthew

Last name: Walton

Organization: AZ Game and Fish Department

Title:

Comments: The Az Game and Fish Department is providing a letter (attached below) to the SVRD, CNF in support for restoring legal motorized public access into the Meadow Valley Area of the Huachuca EMA.

Restoring public access to the Bog Hole Wildlife Area, a AZGFD Wildlife Area, will help educate the public about wetland habitats and their obligate species. Reconnecting the public with their lands for other recreation will be of great value to the public and local businesses alike.
