Dear Mr. Hunter

I fully support the proposal Forest Order Camping Restrictions. My support of this reasonable proposal is for the very reason you outlined! Overuse of camping location results in poorer camping experiences for some, impacts the forest with litter, human waste and soil erosion - which affects the streams.

You are still allowing 14 days within any 30-day time period. That is more than generous. I would have allowed only 7 days in a 30-day period.

Thank you for allowing me to provide these comments.
