Comments: I truly do not know how to fully express my hurt and pain I feel with the idea of these icons being chased,abused, and running babies to death or to where they can't keep up with their mom's and herds. Then to have the baby's get separated during the awful act and then not being found when it wonders off alone,no milk and not family.

Please,please stop this before there is no American Icons left,and the only way to see them is in history books or on the computer,etc.

Please be their voice and ours. You are the only ones who can

My heart is so sad and broken as is for all of us that love these beauties.

??????

I beg of you help us preserve them

Sincerely

Belinda Price

This beautiful horse is from that area
