Comments: I am writing to you to request you leave trees growing in the wilderness alone and follow the requests below. Namely:

- * I oppose using chainsaws to clear trails in Wilderness.
- * Dead and dying trees should be left alone in Wilderness.
- * The Forest Service should use crosscut saws, not chainsaws, to clear trails of only the fallen trees that must be removed.
- * Wilderness visitors should be allowed to experience nature on its own terms, including any risks that entails.
- * The Forest Service needs to exclude all Wilderness areas from this project, including any encroachment from activity on wilderness boundaries.
