Dear Mr. Funka:

Please accept this Letter of Support for the North Valley Trails project on behalf of the Central Colorado Mountain Riders (CCMR) motorcycle club. CCMR supports this project.

CCMR is a non-profit 501(c)(3) motorcycle club based out of Salida, CO. Our mission is to preserve, maintain and create motorized trail opportunities in the central Colorado area through cooperation, education, etiquette, and stewardship. CCMR currently consists of more than 200 members and since our inception in 2016, we have logged over 6000 volunteer hours with the USFS Salida Ranger District (SRD), adopted numerous multiuse trails, and been involved in a cost-share agreement with the SRD where we designed, created and installed 11 signs/kiosks to educate users about trail etiquette on multiuse trails. In addition, CCMR built two new trails, and is actively working on more projects. While motorcycle riding is our passion, our members also enjoy other recreational activities our public lands have to offer - including four-wheeling, hiking, fishing, hunting, and mountain biking.

CCMR supports multiuse trail use within the Crested Butte North Valley area. Most of our members travel to and utilize the trails within this area on their mountain bikes, motorcycles, and Jeeps. We strongly support the additional trails proposed in your EA specifically the Teocalli Extension Trail, Reno Divide Road Parallel Trail, and Bear Creek Trail Reroute, as these are motorized multiuse trails.

Sincerely,

Bob Daniel

President [ndash] CCMR
