Comments: I am a Rancher located in Des Montes, (Arroyo Seco) NM. I raise alfalfa/hay and have inside and outside gardens, as well as water for cattle and horses. I use the water from Rio Hondo It is very important that I use clean water for these crops and animals.

I do not agree with any Taos Ski Valley expansions as the treatment plant currently needs to be brought up to code.

The attached photos are moss/algae build up to 1 foot in the Rebalse ditch.
