First name: Kelly

Last name: Fuller

Organization: Oregon Wild

Title: Western Oregon Field Coordinator

Comments: Please see Oregon Wild's attached comments on the Powder River Mining ##45945 Draft Environmental Assessment. For convenience, I have also attached our scoping comments, which are referenced in the DEIS comment letter.

Please note that Doug Heiken and Rob Klavins will be Oregon Wild's contact points on this project going forward, not myself. Their email addresses are in the letter. Thank you!
